

Dear Dr. Leckemby,

My name is Ezequiel. The reason why I'm writing this letter is to say thank you for checking my eyes, and making sure they are o.k. I also want to thank you for giving me free glasses. I also want to thank you for caring about the vision of kids at this school. And thank you for giving other kids free glasses.

So thank you again for what you have done.

Your Friend,

Ezequiel
