

Dear Ms. Matta

Dec. 18, 2014

Hi my name is Naomi. Thank you for all the help you give our school. Also, I've been to the clinic before and I got eye drops. Glasses cost and here it cost nothing. Also you check our eyes to see if we need surgery or if we need glasses. These are the reasons why you're important to our school.

P.S.

You'll probably see me next year in 6th grade.

Sincerely,
Naomi Zulueta
