

12-18-14

Dear Dr. Seibert!

Thank you for your hard work
We really appreciate what you have
done for us. Because of you, the
kids in our school can see better,
better, even though they can't afford
Glasses. You are there to help
them. I appreciate you check
up and know not only can
we see better, but we can also
learn better!

Sincerely,
Mariam Diakite Kaba
