

Dear Ms. Matta,

Hello, my name is Thinel Puello, we met before. My purpose of writing this is to say Thank you.

Kinderssee is important because if not, Students, can get bad grades because we may not see what we're learning. Also it's important because Students can get a better education. I just wanna say Thank You for your service here at George Washington Elementary.

Sincerely,
Thinel Puello (Thinel Puello)
