

12/10/17  
Dear Ms. Matta,

I thank you for helping the children in Washington Elementary school see better so that they may learn better and get to know you. Please remember that even though some kids don't need glasses, we are still able to feel confident that our eyes are strong. I'll see you later and thanks for the check-up! It was really special!

From your friend,  
Jeremy Yelet - Perez Michel
